NEW SPONSORSHIPS & GRANTS TO SUPPORT HEALTH AND WELL-BEING IN BAYSIDE

Sandringham Community Bank® Branch has just completed its Sponsorship and Grants process for 2017/18. This year, we focused on health and well-being for bayside residents and we are proud to announce we awarded sponsorships to many local clubs, charities and organisations, as follows:

- Hampton Surf Life Saving Club
- Hampton RSL Bowls Club
- Sandringham Football Club
- Sandringham Primary School
- Hampton Junior Soccer Club
- Peaks 4 CF cycling event
- East Sandringham Junior Football Club
- Sandringham Dragons
- Sandringham East Primary School
- Victorian Jazz Club
- Sandringham Croquet Club
- South East Cricket Umpires Association
- Sandringham Little Athletics
- Hampton Rovers Football Club
- Rotary Club of Sandringham
- Sandringham Bowls Club
- Hampton Cricket Club
- Battle of the Boots
- Sandringham Traders' Fair

As part of our ongoing partnership with Sandringham Football Club we have provided sponsorship funds of \$81,300 over the past 10 years

Proudly supporting Sandringham Traders' Association with a grand total of \$33,500 over the past 8 years

Keeping local residents healthy!

The Sandringham Hospital Appeal is very close to reaching the \$2.5 million target with less than \$100,000 to raise!

We're proud to be a part of this community hospital and the new day procedure centre, soon to be known as the Sandringham Community Bank Day Procedure Centre. The construction start date is not confirmed but it is anticipated that it will be late 2017/early 2018.

THE POWER OF AN OLD SONG...

This year, we provided a grant to Fairway Hostel to support a Chords of Life music program for those suffering from Alzheimer's disease and dementia. The program involves regular group singing sessions with a music therapist.

"Despite the challenges with cognitive functions and communicating,

“ the ability to appreciate music often remains intact in people with dementia and Alzheimer's disease. ”

For those not able to attend the group sessions, Fairways purchased headphones and music players, so residents can individually listen to music that they recognise and love.

The Chords of Life program is helping us enhance residents' lives and brings a smile back to their faces."

Tonianne Hawthorn from Fairways explains;
